NATIONAL CLOG DANCERS DIRECTORY

1982

Introducing:

NATIONAL CLOG DANCERS DIRECTORY

P.O.Box 903
Orem, Utah 84057
Phone (801) 225-6450

Dear Fellow Cloggers:

AFTER TWO YEARS OF COLLECTING, EDITING, UPDATING, AND BEGGING! THE NATIONAL CLOG DANCING DIRECTORY IS NOW READY. This directory lists teams, clubs and individuals who are actively (and even inactively) involved in clogging.

The directory will list as much info as possible and will leave a special section which will feature teams who send in pictures and history articles. Hopefully this section will grow each year as teams become aware.

The directory will improve each year. If your name or team was left out, accept our apologies. (Clogging is the fastest growing dance form in America and keeping up with all the new clubs is impossible.) Please fill in the form in the Directory to make sure your club or team or individual name is included in the 1983 edition.

Please use the form enclosed to order your directory.

NEXT EDITION PLANNED FOR APRIL 1983

Happy Clogging

Dennis H. Cobia

NATIONAL CLOG DANCERS DIRECTORY

INTRODUCTION:

This first issue of the National Clog Dancers Directory is not perfect. It will take several updates and a lot of communication with you cloggers in order to make this directory accurate and therefore helpful to everyone.

Please inform us of any mistakes or corrections needed and we will correct them in future issues or will send a correction notice to you.

This directory will have a snap-open type cover and as updates and additions are added, we will make them available for you to put in your directory.

The profile section is the part of the directory we are most proud of and encourage every team to send in the profile form included in this directory so that we may share your success with everyone in next year's Directory. Because of the costs in reducing and preparing pictures for printing this profile section will have a nominal charge, but it will be worth it for all of us to enjoy.

Thank you for your interest in this endeavor.

Sincerely,

Dennis H. Cobia

Address: Box 23 Carolina Union

City: Chapel Hill State: North Carolina Zip: 27514

Phone: Area Code 919 942-7376

Age Range of Group: 18-40

Accomplishments/History:

Since their beginning in 1975, the Apple Chill Cloggers have performed at almost 200 events in 11 states and 5 foreign countries. They have placed 1st in clogging competitions in North Carolina, Georgia, and Virginia, and had the honor of representing North Carolina at the Bicentennial Salute to the States in Philadelphia in 1976. Some of their major performances include the Chicago Folk Festival, the Kalamazoo Folk Festival, the National Irish Folk Festival, the 1977 Presidential Inaugural Activities, and the Winnipeg Fold Festival.

During the summer of 1977, the Apple Chill Cloggers conducted a performance tour of the British Isles, dancing at such events as the Cobb International Folk Dance Festival of Ireland and at Duthie Park in Aberdeen, Scotland. The 1977 tour was such a success that the Apple Chill Cloggers returned to Europe again in 1978 for a four week performance tour, including performances at the Sidmouth International Folklore Festival in Sidmouth, England, and the Nyon Folk Festival in Nyon, Switzerland. The Apple Chill Cloggers were especially proud to be a part of the Sidmouth Festival, as they were only the third American group to participate in the 25-year history of that prestigious festival.

The Apple Chill Cloggers' touring activities here in the U.S. have included a performance tour of Florida in the spring of 1979. They are currently planning a tour of New England in August, 1979, when they will be performing at the Philadelphia Folk Festival and the White Mountain Ole Time Fiddle and Banjo Festival in New Hampshire, as well as other events.

BUCKWHEAT

"Atlanta's Prettiest Clowngers"

Team/Club: Camellia City Cloggers

Director/Instructor: Judy Jones

Address: P.O. Box 208

City: Elverta State: California Zip: 95626

Phone: Area Code 916 991-4371

Age Range of Group: all ages

Accomplishments/History:

During the 1976 National Square Dance Convention in Anaheim, Ca., several Sacramento area square dancers attended a clogging clinic taught by Wade Driver, square dance caller from Texas. These dancers had never seen nor tried clogging and wanted to learn more. Therefore, the first clogging class in Sacramento, taught by Gayle Faulkner who was a former member of the Diablo Mountain Cloggers of Oakland, was well attended.

Those dancers who completed the first class wanted to continue and

they organized the CAMELLIA CITY CLOGGERS club in 1977. An exhibition group was formed which performed at local square dance functions that year.

Early in 1978, the Club was accepted as a member of the Associated Square Dancers of Superior California and Judy Jones, a charter member, was asked to become the instructor.

The Camellia City Cloggers have two basic clogging classes every year in Sacramento and have also sponsored classes in Yuba City and in Tahoe City. Here dancers learn the eight basic movements and the two basic steps of clogging. After graduation, during the weekly workshop, they improve and perfect the basic steps, learn many step combinations and variations and learn short routines.

The exhibition group performs at the annual Associated Square Dancers Harvest Hoedown and Square Dance Week at the California State Fair. They have also performed at the California State Square Dance Convention. At some of these functions, the group conducts clogging workshops. The Camellia City Cloggers have performed for many social and civic organizations and activities including the Sacramento Chili Cook-Off; Lake County Pear Blossom Festival; Ron Schmeck's Easy Living Country (KCRA, Channel 3); the Tahoe Ehrman Arts Festival; the Old Time Fiddler's Association; the River City Bluegrass Festival; Lockeford Fiddler's Contest; Sacramento Embarcadero Days; Camellia Festival and Festival of the Arts; and the California State Fair and Exposition.

The Camellia City Cloggers exhibition group performs a precision clogging style where all dancers execute step and movement sequences in unison. The figures used are drawn from the Appalachian Big Circle dances, Moutain Style dancing, old Western square dance (Cowboy dances), and Modern Square Dance figures. In addition, dancers perform solo movements to illustrate the variety of steps which can be performed. The music is fast-paced and lively and the dancers are colorful and energetic with their twirling and high-stepping footwork.

Age Range of Group: 32-53

Accomplishments/History:

Dancing is the oldest of the Arts, and Clogging is an early American Folk Dance form which is a combination of the Square Dance, Highland Fling and the Buck'N'Wing.

After a Square Dance Festival at Fontana, N.C. in 1970, where we saw an exhibition of Appalachian Clogging by Bill Nichols and his family, a group of Durham Square Dance enthusiasts were so impressed that they prevailed upon Bill to show them the steps...nameless steps which he had learned from his Grandparents. An insignificant beginning, but later Bill Nichols became the World's Champion Clogger and the Square Dance group returned to form Durham's first clogging team, the Click'N'Cloggers in May of 1970. The following year, they returned to learn more steps and by this time, names were put to some of the steps.

Interested in preserving Clogging as an authentic American Folk Dance, research has been made into the steps and terminology. By performing, the Click'N'Cloggers (a non-profit organization) hope to interest others in keeping alive the traditional mountain style of clogging which has been handed down to them. Each mountain area had its own steps and styles. The Click'N' Cloggers take the basic steps and work them into a complete dance routine... each different and expressing the feel of the Bluegrass or Country Western Music used.

The Click'N'Cloggers continually try to better their dance routines by going to Folk Dance Festivals, and to workshops to learn additional authentic steps. They design and make their costumes, adhering to the fashion of the frontier. The impact of the Click'N'Cloggers was such that several groups have formed locally as a result of the team's efforts. Watching the Clogging

and the enthusiasm of the team, it is readily understandable.

The Country Cloggers are a team of five married couples. Two from Rock Hill, one from Fort Mill, and one from Chester, South Carolina. We meet every Wednesday night at the Clogging Barn, on Fire Tower Road, in Rock Hill. We have workshop for two hours. We have a business meeting the first Wednesday night of each month. At this time we try to set our schedule of upcoming dates.

All members of our team have completed two or more courses and hold certificates from the Festival of Champion Clogging College.

The Country Cloggers have performed in many shows throughout the area. Some are: Carowinds Theme Park, Charlotte, North Carolina; Possum Holler, York, South Carolina; along with Connie Cato and also as special guess of Tommy Overstree.

We have also danced on Television Station WNSC for Come See Festival with Tommy Faile as host.

Our group had the honor being being asked to perform for the National Citizen Band Radio Jamboree in Gatlinburg, Tennessee. While there, we danced for a crowd at The Tommy Bartlett Water Circus, Pigeon Forge, N.C. Other places our group dances are nursing homes, schools, festivals, CB jamborees, county fairs, and department store promotions.

About four years ago, a group of young folks started clogging together

and were known simply as Town & Country Teens. They were given this name because they were children of the adult clogging team, the Town & Country Cloggers.

At that time, there were only 2 girls and 2 boys. They did mostly "mixers" such as Cotten-Eye Joe, Amos Moses, Red River Twist, etc.

As time went on, these four children performed at Civic gatherings, benefits, Square Dance Clubs, etc. and they became more popular each time they performed.

Due to the fact that Town & Country Square Dance Club always welcomes children of all ages, we seemed to have an abundant supply of likely cloggers. So, for our Annual Sweetheart Dance two years ago, Nora & Lendal McCullar, coordinators for the group, decided to include some other children that wanted to clog.

At that particular time, I believe we had 12 children. They did a routine called Ice Cream Soda & Lollipops. Each child carried a large lollipop in his hand and clogged around a May Pole. They really won the hearts of all present.

Then, last year, Nora decided that it was confusing when on trips, etc. to have two groups with the same name--Town & Country Adults and Town & Country Teens--so she has named the children the Dixie Foot Stompers and they have their own badges to wear when they perform.

Last August (1978) the children performed at the Georgia Mountain State Fair in Hiawassie, Georgia, and brought home a beautiful trophy. They are planning to go back again this year.

The Dixie Foot Stompers group now consists of 18 children ranging in ages from 3 to 14. The mothers make most of the outfits that the children wear.

The Dixie Foot Stompers are now doing mixers, contra dances, as well as circle dances with their own routines set to music.

They performed at the 1979 Sweetheart Dance sponsored by Town & Country Squares of Fultondale, Alabama. They also added a great deal to the Fashion Show at the 1979 Alabama Jubilee. About two weeks ago, these children also won First Place in a talent competition of about 30 other contestants and walked away with $100 cash.

This same group of Cloggers will be performing at the Pensacola Round and Square Dance Festival in June along with their parents who make up the Town & Country Cloggers.

Accomplishments/History:

The Misty Mountain Cloggers are one of the more popular youth clogging groups from Gainesville, Georgia--the Queen City of the Northeast Georgia Misty Mountains. The group started in Spring of 1978, and has performed at the Hiawassee Mountain Fair, Alpine Village of Helen, Georgia Mountains Jubilee, Gwinnett County Fair, Stone Mountain, Big Canoe, Lanier Islands, a Hilton Hotel Convention, Dahlonega Gold Rush, Jellystone Park Camp Resort, Mountain City Playhouse, and many other area events, including a number of mountain craft and clogging festivals. The Misty Mountain Cloggers are directed by Mehl and Kay Renner, have received numerous awards and commendations and are sponsored by the Hall County Recreation and Parks Department. Clog dancing is a part of our heritage that has rapidly grown in popularity and the kind of entertainment people enjoy at most any event.

Accomplishments/History:

Invitation to perform at the White House, performed at Opryland U.S.A., Nashville, Tennessee. Performed in concert with Roy Clark, Buck Trent, Little Jimmy Henley, The Kingston Trio, The Drifters, and Connie Smith. Won two state wide talent searches: The State Fair (S.C.) State-Wide Talent Search, and the WCOS (Radio) State-Wide Talent Search. Have been recognized for the numerous steps we have made up. We were chosen out of the state of South Carolina to go on tour with our Governor's Road Show for the Inaugural Events, and to perform in concert for the Inaugural Gala. Have performed on every TV Station in the city, and were chosen to do several specials on clogging: as educational, background of the folk dance; that was seen all over Georgia. Pam Collins: Clogging was brought to the capitol city by her, and she has been recognized for this, introducing it to the

following places, and teaches clogging as a full-time job. She teaches at the YWCA, the University of S.C. in short courses conferences, a local dance school, community education throughout the schools, and Midlands Technical College through short courses conferences. She has been clogging for 14 years, and won in her age division the 1976 World Clog Dance Championship Title at Fontana Village, N.C. This past October, she won her age division in the 1978 World Clog Dance Championship, and went on to the Grand Finals to place 7th runner-up in the top ten female finalists. She is responsible for introducing clogging into the school system in Columbia, and plans to eventually open the first dance school teaching clogging and international folk dance. This should be in the near future.

The team is going to the White House this summer, and have been asked to come back for a performance at Opryland U.S.A. again this summer. This team does this for fun and to keep the art of this folk dance alive and kickin' in the Palmetto state!

Director/Instructor: Lendal & Nora McCullar

Address: 1307 Plateau Drive

City: Gardendale State: Alabama Zip: 35071

Age Range of Group: 30-55

Accomplishments/History:

National Square Dance Convention, Memphis
Birmingham Festival of Arts
Muscular Dystrophy Telethon
Birmingham Country Club
Georgia Mountain State Fair, Hiawassee, Georiga
Alabama Jubilee
Square Dance Festivals: Persacola, Fla.; Sikeston, Missouri;
Montgomery, Ala., etc.

During the Fall of 1975, a group of square dances from Town & Country Square Dance Club of Fultondale, Alabama, attended a Square Dance Fesitval in Biloxi, Mississippi. At this festival, a group of Cloggers from Sikeston, Missouri performed and also had a clogging workshop. After seeing the Sikeston Cloggers, the Town & Country group decided that clogging was for them. Some of the Town & Country group had clogged previously with the first group of cloggers in Birmingham when clogging was first introduced here. So, when the Town & Country group came home to Birmingham, they began to practice when and where they could. Finally, enough people were involved in clogging to form a team.

Lendal and Nora McCullar are coordinators for the team--with Bob and Betty Calvert serving as assistant coordinators.

They enjoy all of their routines, but especially the ones performed under black lights. When using the black lights, the whole team wears matching outfits of flourescent colors which makes for a real breath-taking routine.

Since the Town & Country Cloggers began exhibitioning in 1976, there have not been many weekends that they are not performing somewhere. They have performed at the Alabama Jubilee in Birmingham the past 3 years, at the Town & Country Sweetheart Dance for the past 4 years, at Birmingham Country Club, Dixie Jamboree in Montgomery, Festival of Arts in Birmingham 3 years, TV shows, Thunderbird Square Dance Festival in Sikeston, Missouri, Georgia Mountain State Fair for 2 years, and the list goes on and on. They have also been invited to perform at the Pensacola Round and Square Dance Festival to be held June 15 and 16. They will dance at the Gadsen Whirl-a-Ways Dance on July 14 and have been invited to dance again in 1980 at the Dixie Jamboree in Montgomery, Alabama.

Nora and Lendal McCullar, coordinators for the team, conducted clogging workshops at the Pensacola Festival in June, at the Dixie Jamboree in Montgomery in February 1980, and at the Town & Country Sweetheart Dance in February 1980.

The Town & Country Clogging Team started out with a very minimum of 4 couples. The team now consists of 20 members and is still growing. The team does routines sometimes with only 4 couples and sometimes with all 20 of them clogging in the same performance.

The Town & Country Cloggers think that one of the biggest thrills connected with clogging is making your audience happy. Audience response to a good routine and a good step will really make all the difference in the world in the performance of any clogging team. One of the things the Town & Country Cloggers try to do is to make the audience feel like they had rather be clogging than anything else they could be doing.
